*Dive Tulamben Reefs and The Liberty wreck*

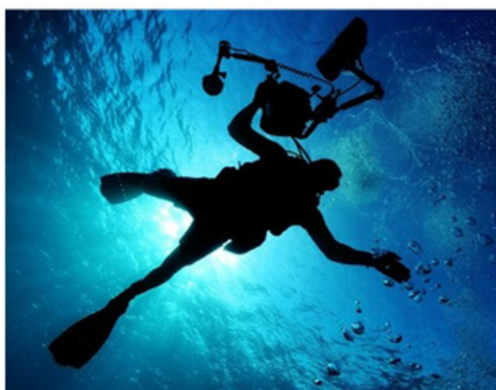

# LIBERTY DIVE RESORT-BALI

Tour Leader: James

Bali, a renowned global tourism hotspot, offers much more than its lively towns and bars. Beyond the hustle lies a world of stunning natural beauty, both above and below the surface. With affordable flights and plenty to do, Bali is a fantastic destination for those on a budget and seeking adventure.

Tulamben, located on Bali's northeast coast, is a diver's paradise, known for its rich marine life and iconic underwater sites. The volcanic landscape adds a dramatic backdrop, making it one of the world's top dive destinations. The USAT Liberty Wreck, a sunken WWII cargo ship, is a must-see underwater wonderland. Divers can encounter schools of trevally, bream, fusiliers, and anthias swimming around the wreck, as well as batfish, angelfish, and vibrant anemone fish nestled in crevices. Macro enthusiasts can spot lionfish, scorpionfish, bumphead parrotfish, and tiny gobies, blennies, and shrimps hidden among the coral.

Just 150 meters from this iconic wreck lies Liberty Dive Resort. This charming retreat features 33 guest rooms equipped with modern amenities, including air conditioning, ceiling fans, en-suite bathrooms with hot showers, mini-bars, and refrigerators. Each room offers a private terrace with rattan furnishings, overlooking serene gardens or the resort's inviting pools. Whether diving the warm waters of Bali, exploring the breathtaking wreck, or simply relaxing in a tranquil setting, Liberty Dive Resort provides the perfect base for your Tulamben adventure.
